THE SILVER QUIVER

September 13th

The Silver Quiver took place on September 13th. It was the largest turnout yet for this event. Thanks to Carol, it was well organized. Chicken and Salads were provided for lunch. A beautiful cake was also provided for the 70th anniversary of the Silver Quiver. Except for a few drops of rain, the day was fantastic with lots of winners.

Constitution of Adelaide Archery Club

The new constitution was approved on September 8th unanimously.

We started the process about 9 months ago, at the request of Archery SA. Draft was sent out about 4 months ago, then had a workshop to discuss and then had a meeting with Department of Consumer & Business Services (CBS).

There was plenty of opportunities for members to comment /provide feedback.

All members present were happy with the change, and that updated version will be submitted to CBS.

Thanks for everyone support
